## Nottinghamshire Healthy Family Team

Under section 23 of the Children and Families Act 2014, Health Services have a duty to notify the Local Authority, where they anticipate children under school age has or is likely to have a special educational need and or disability (SEND) when they start school.

The Healthy Family Team may be able to contribute to EHCP requests and Annual reviews when actively working with your child/young person or where they have been involved within the last 12 months. Please inform your EHCP case worker or school Senco if input is required.
