Rachel.

It's time for the hedgehog song.

Are you ready?

We're going to do hedgehogs.

Let's feel it first.

Here it is.

Oh, it's prickly.

Oh, your hand's turning.

Would you like to feed it on your hand?

There it is.

Ready for the song?

A hedgehog is very prickly

A hedgehog is very prickly

A hedgehog is very prickly

It couldn't be anything else.

A hedgehog is very prickly

A hedgehog is very prickly

A hedgehog is very prickly

It couldn't be anything else.

Oh, yeah, there it is.

Wow. It's prickly.

Do you want some more hedgehog?

You've got it.

You want some more?

More hedgehog song.

A hedgehog is very prickly

A hedgehog is very prickly

It couldn't be anything else.
